PEARC20 provides a global forum for students and professionals to discuss challenges, opportunities, and solutions in the fields of advanced research and data-intensive computing. A primary focus this year will be on machine learning and artificial intelligence which are dynamically impacting a diverse range of fields from materials science to medicine while shaping the skills of an emergent workforce. We invite you to join us for this opportunity to participate in these conversations and showcase your solutions with prospective customers, colleagues, and students.

In return for the benefits specified in the Exhibitor Package, the Organization agrees to:

- Reasonably promote/advertise the conference using Organization’s existing communications channels, website, etc.

- Promptly complete all administrative requirements, including:
  - Pursuant to completing any formal logo or trademark use agreement required by Organization, provide a copy of the logo usage policies to conference staff.
  - Promptly authorize the use of Organization’s logos and names on the conference website and in promotional materials.
  - Provide logos, marks and names in a scalable, high-resolution graphics format within 14 days of this agreement being signed, or within 14 days of the logo/trademark use agreement being signed, when applicable. (Logos will be added to the PEARC20 conference website and other promotional materials as soon as agreements are in place and appropriate images are provided.)
